

Back to School

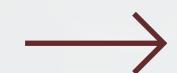

Guide to Navigating
through the school

Welcome back to school
everyone.

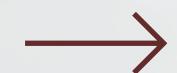

We have missed you and are
super excited to have you back.

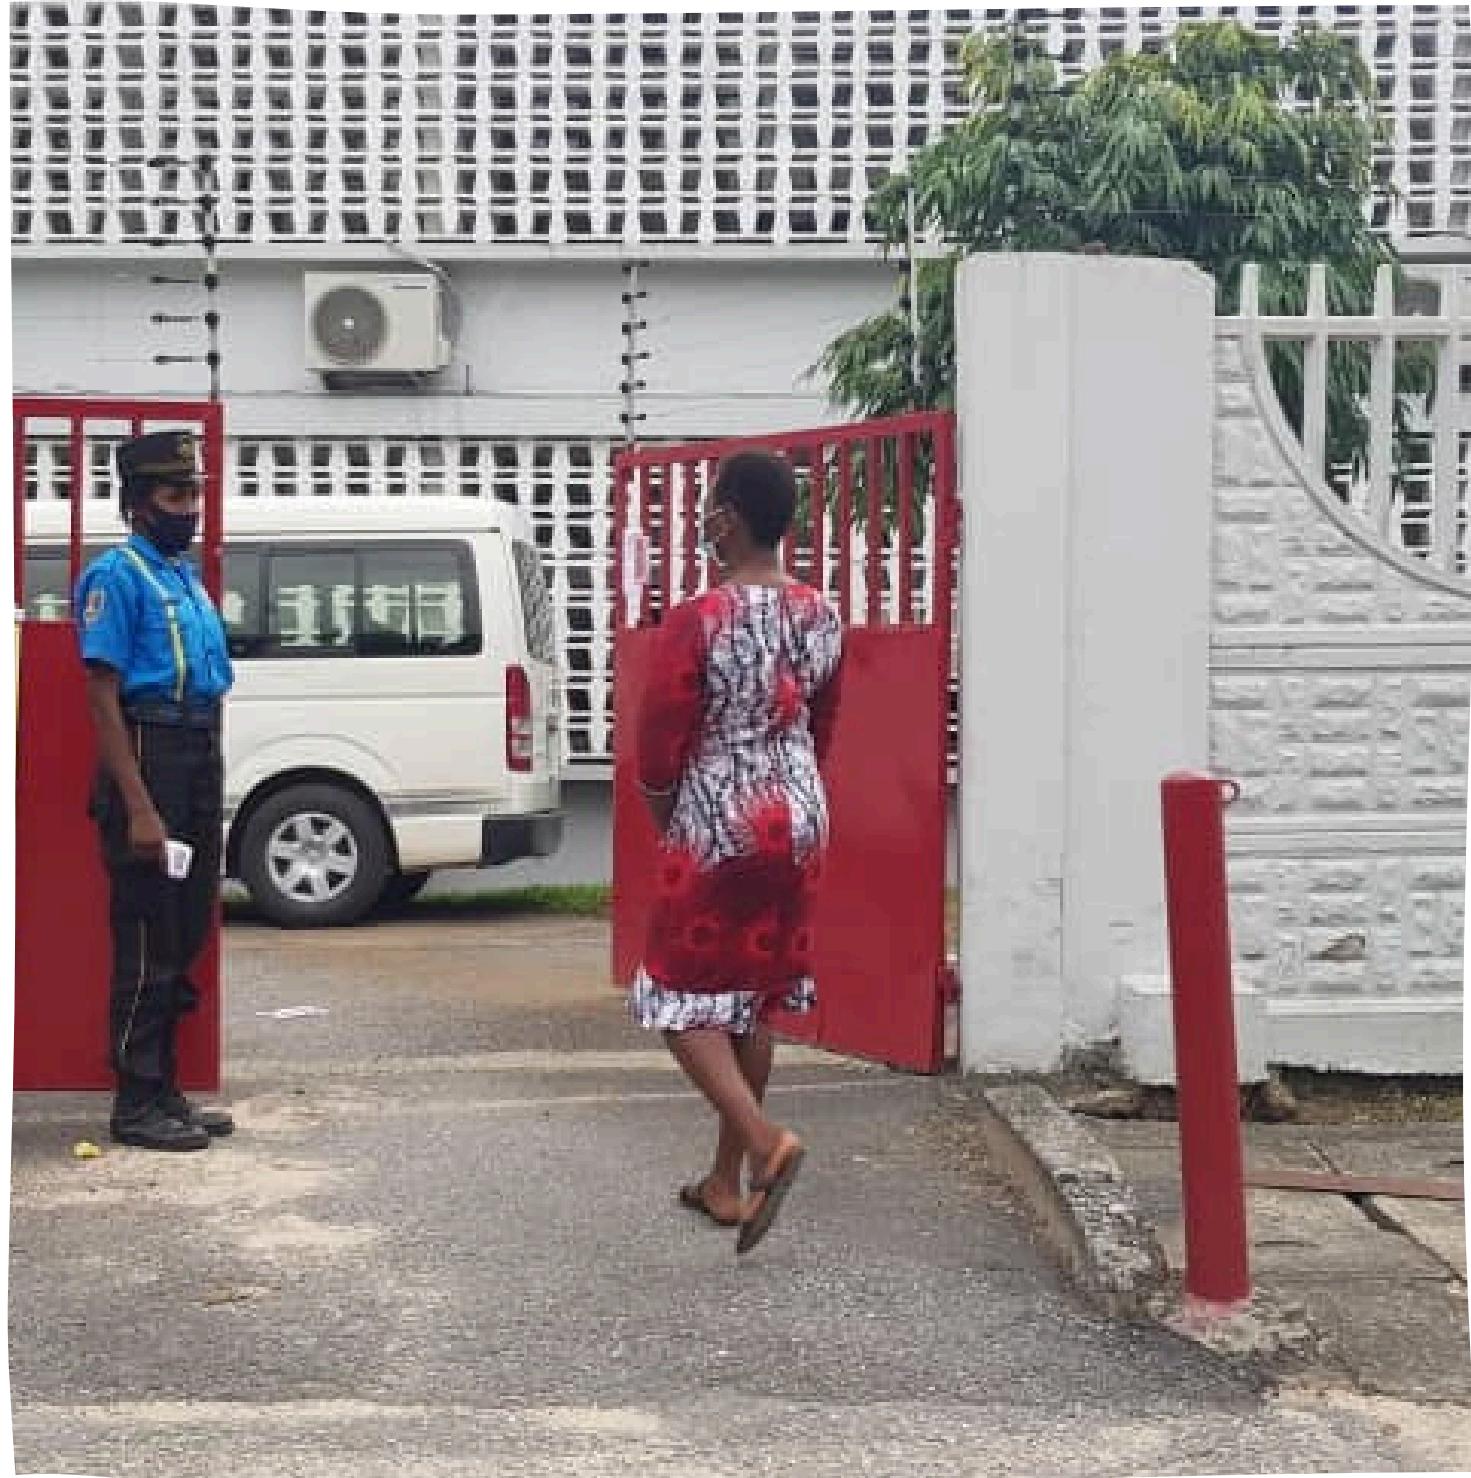

Covid-19 has modified the way
everything is done in the world now
and in the future.

As school reopens for us to receive you,
we have made a video to inform you of
the drop off and pick up protocols to
be observed for the onsite resumption.

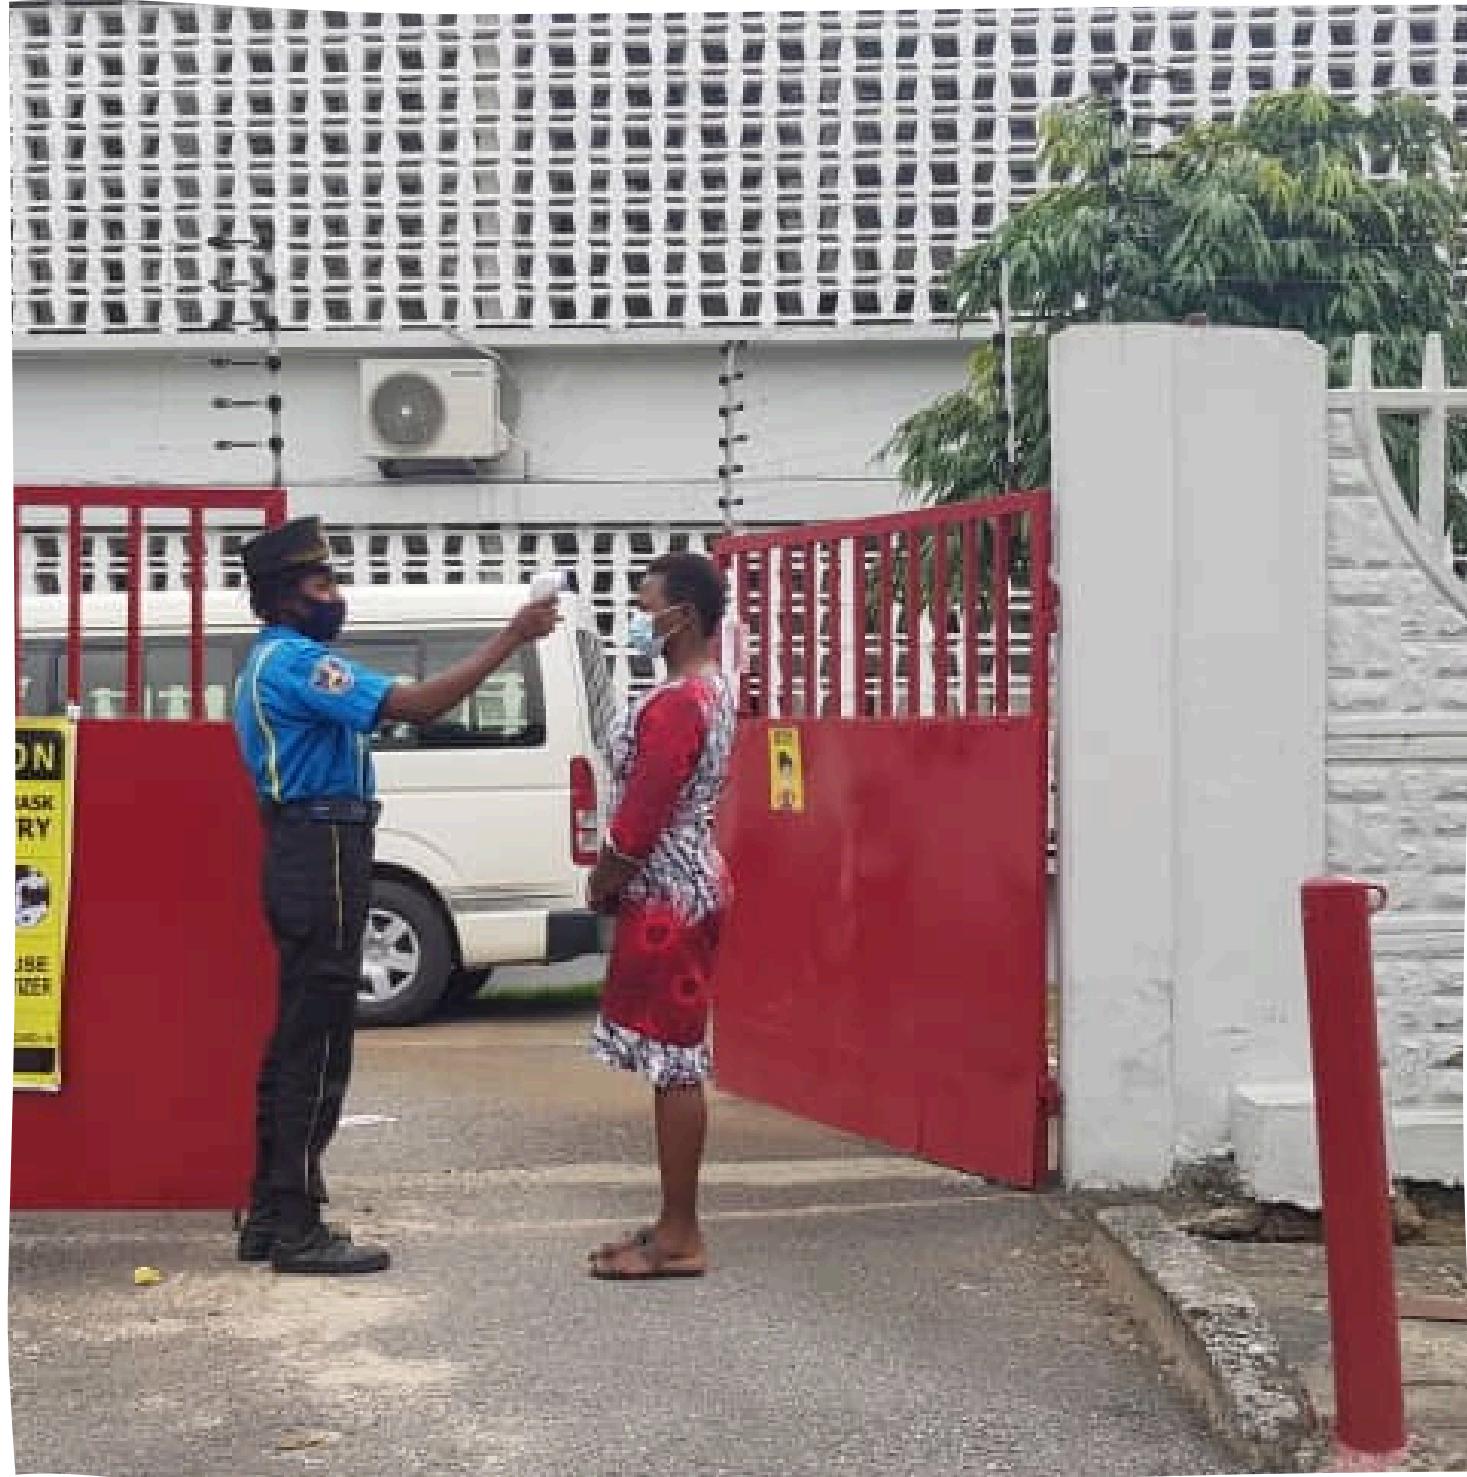

Drop off Protocols

Entry is from gate 1 and 2. An orderly queue will be formed leading to the wash hand station .

Drop off Protocols

Upon entry your temperature will be checked.

Drop off Protocols

Floor signs indicating where you should stand for proper social distancing have been placed on the floor.

Drop off Protocols

Wash your hands thoroughly for at least 20 secs, singing the Happy Birthday Song twice .

Drop off Protocols

After this proceed to your class.
Remember to keep to your right
following the footprints directions.

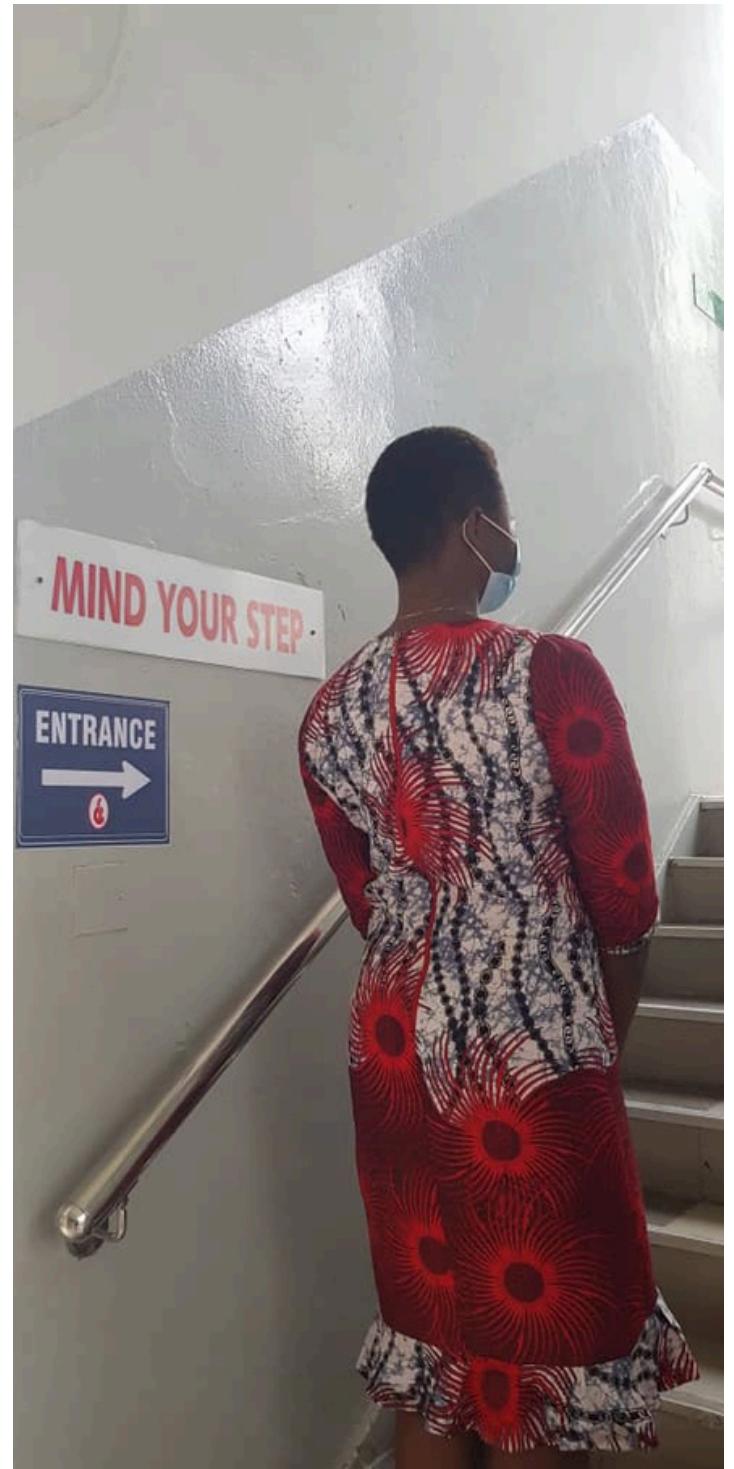

Entry and Exit Protocols for Class 2, 4 and 5

Certain stairs have been designated strictly for entry and exit. Kindly look out for the signs indicating this. Ensure you observe the restrictions as indicated to ensure safe social distancing .
